

FIND YOUR READING JOY!

Summer Reading Challenge

1st-2nd Grade Summer Reading

Welcome to the 2026-2027 school year! We look forward to seeing you all in the classroom this August. This year, students will log their summer reading in Beanstack as a part of our Summer Reading Challenge.

We challenge students to log as much as they can during the challenge. You will earn new badges for logging your reading. So grab a book and find your reading joy—we can't wait to see which stories light up your summer!

Returning students will use your same Beanstack login to participate in the challenge. New to TSA students will receive a login in June or upon completion of enrollment. Until then, keep reading each day! We also recommend that all students practice their math facts and handwriting during the summer. This will have students well prepared in August!

Find Your Reading Joy Summer Challenge

June 1st-July 31st, 2026

Goal: 600 + minutes
